SUMMER EDITION

THE GIRLS OF Nuts

Greetings!

We love summer here at *Nuts*. Sunshine, festivals, drinking cold beer in pub gardens, England winning at cricket, England losing at football – all the things that make a British summer so special.

But summer is also the time when your favourite *Nuts* babes jet away on their holidays. Packing only sun cream, the tiniest of bikinis and the latest issue of *Nuts*, they head off to sunnier climes for a well-earned rest after months of producing sizzling snaps. And while they're there, they take more sizzling snaps. Because being a *Nuts* girl is a 24/7 operation.

So, being the generous souls that we are, we've gathered together the sexiest holiday snaps known to man, and produced the hugely collectable "arty" tome you hold in your hands. If looking fine while wearing very little was an Olympic sport, these ladies would certainly win gold. If only our holiday snaps looked like this! Thankfully, our modesty and the climate in Bognor Regis prevents that.

Have a great summer!

LUCY PINDER

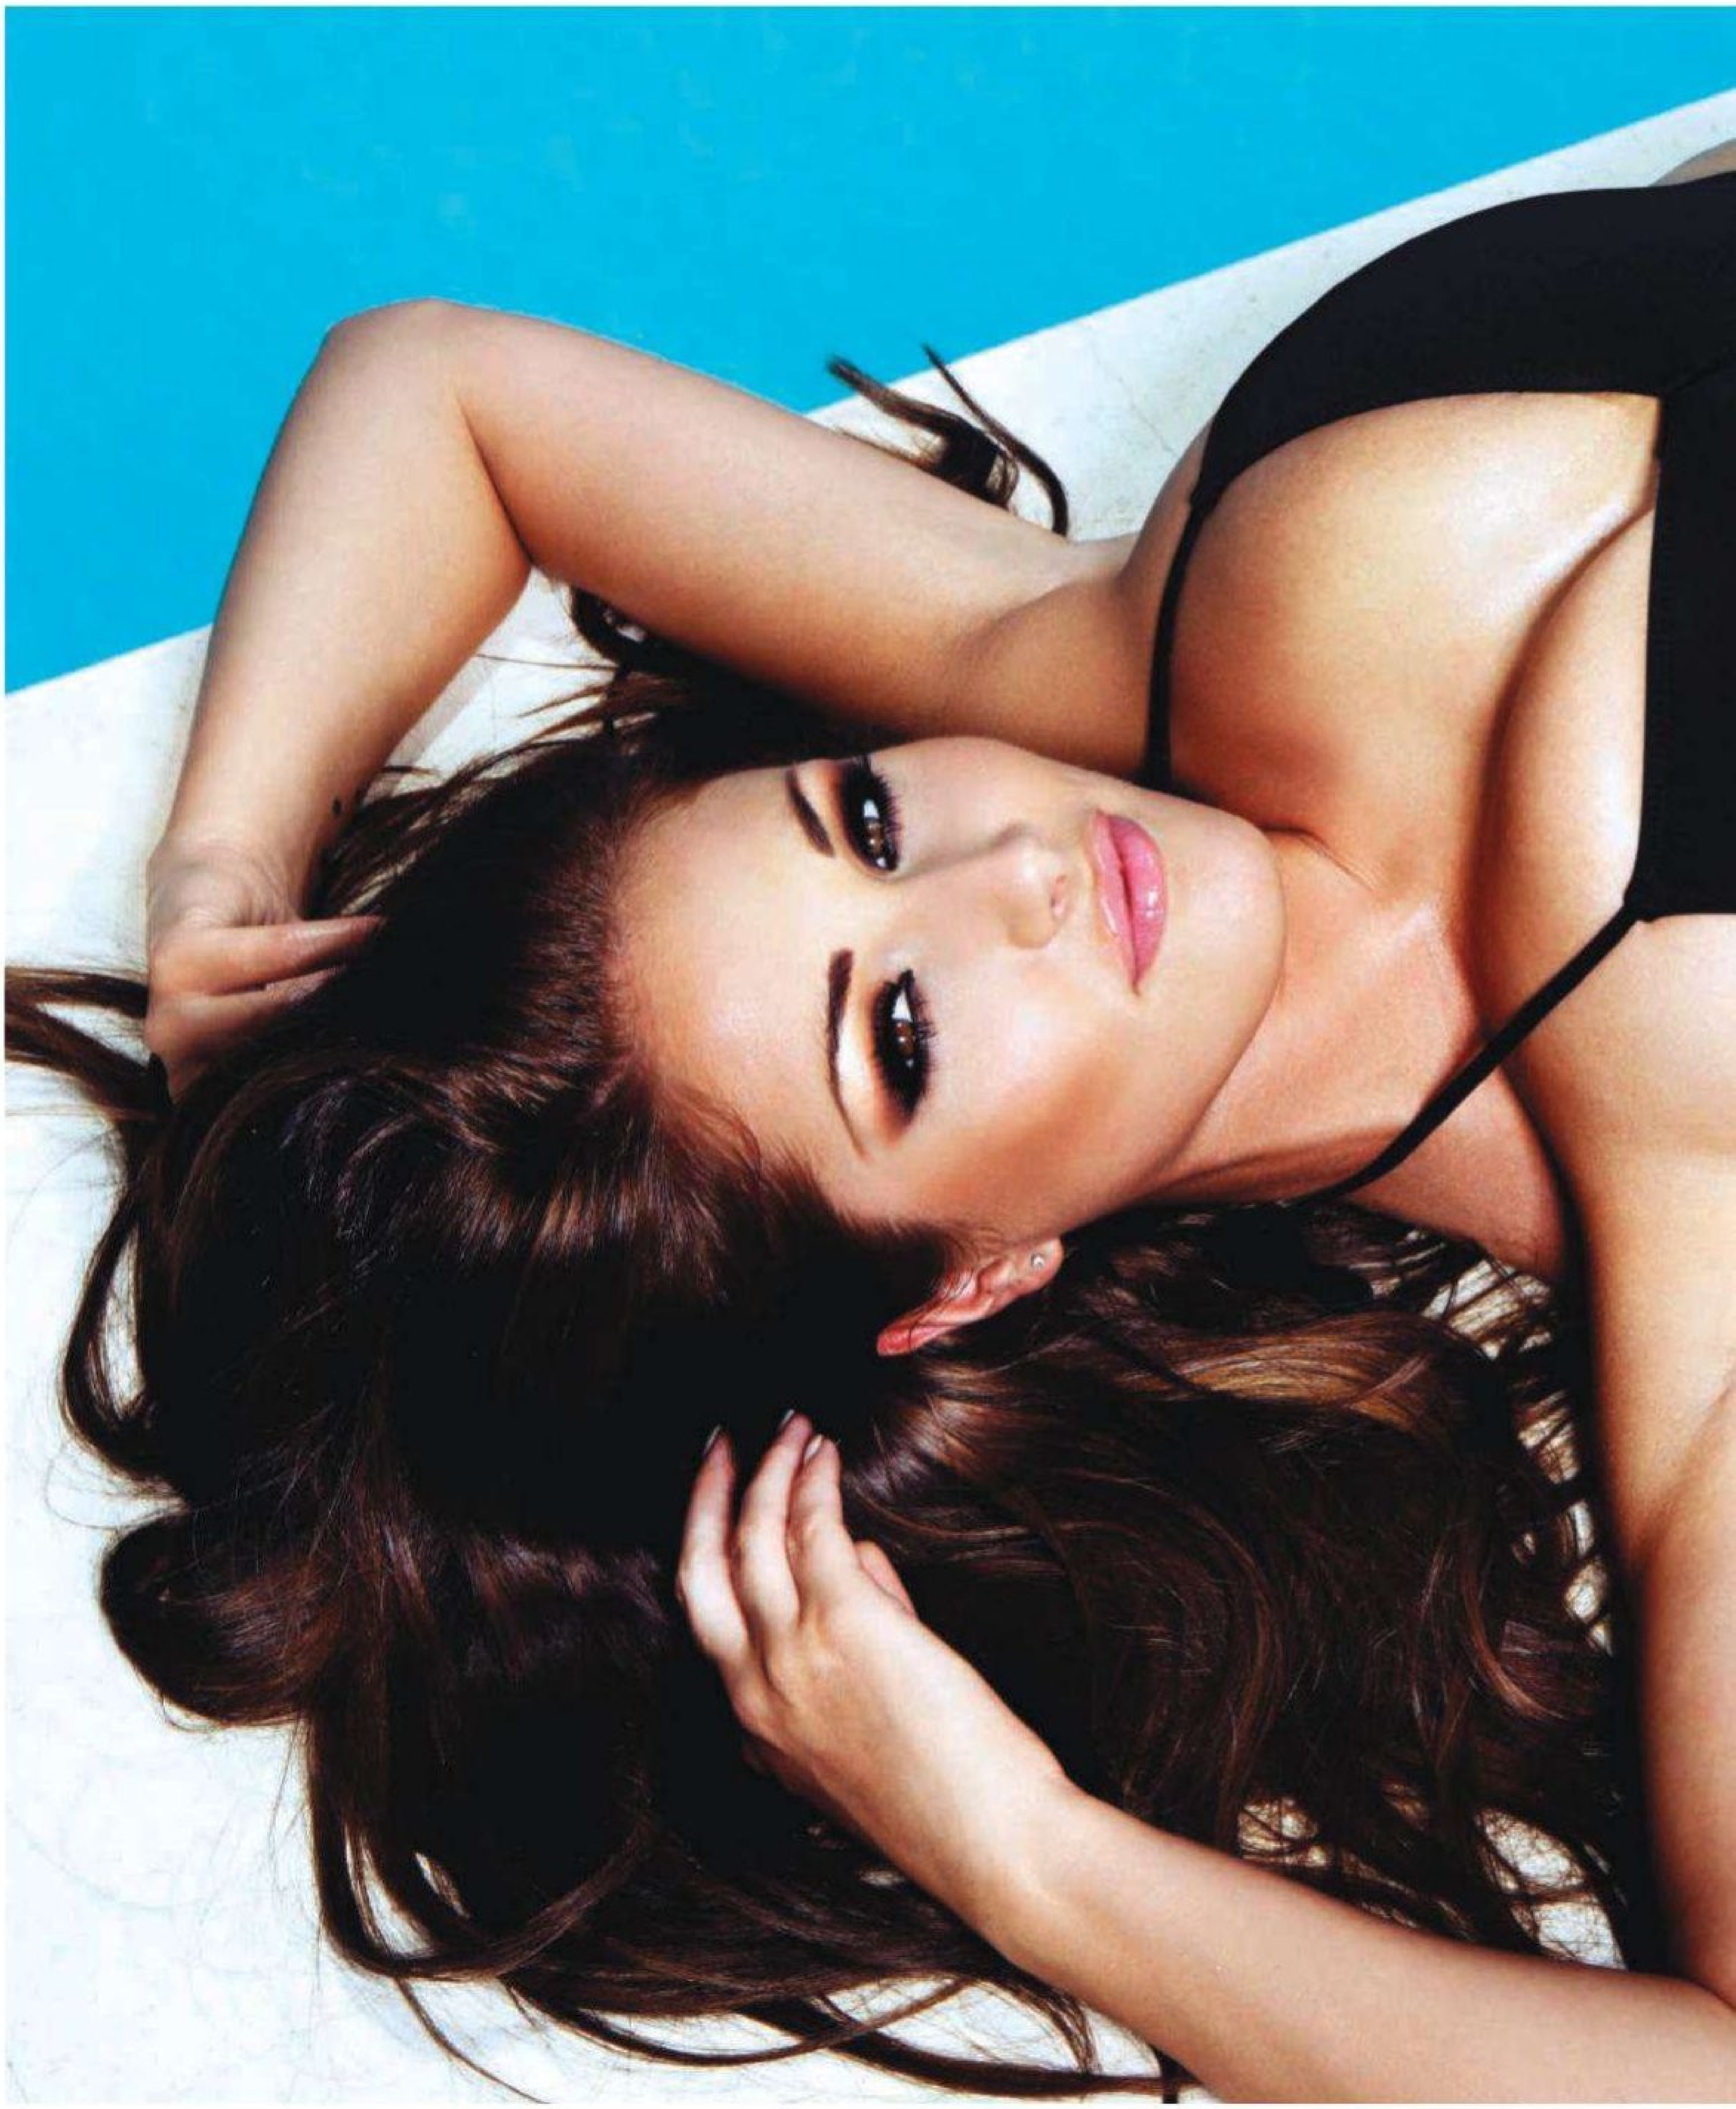
Location: Majorca

Interesting fact: Lucy made her big-screen debut in this year's comedy-horror flick *Strippers vs Werewolves*.

OUR VERY OWN queen of boobs once told us that her assets aren't massive fans of the cold – so they'd have loved the exotic setting of this sexy shoot. So much so that the little (or, rather, not so little) scamps just couldn't stay covered up, and had to pop out to enjoy a spot of sunshine for themselves, (not that we're complaining, of course)! It's a world away from the time we accidentally fell out of our swimming shorts on Prestatyn Sands!



"EVERYONE HAS FLESH OUT IN THE SUMMER – IT MAKES PEOPLE SO MUCH FRISKIER!"

"AUGUST IS MY FAVOURITE BECAUSE IT'S HOT AND YOU CAN GET NAKED!"

"BEACH SHOOTS LIKE THIS ARE THE BEST – BUT I ALWAYS GET FREEZING. IT'S NOT AS HOT AS IT LOOKS!"

DANNI WELLS

Location: Ibiza

Interesting fact: Danni is the official pin-up for the Royal Marines Commandos. We bet she inspires our boys no end!

NOT SINCE LADY Godiva got her kit off and rode around town on a horse has there been such a public display of beauty from a Coventry lass! Perhaps if bikinis and low-budget airlines were around in Godiva's day, she would've taken her nudity somewhere more exotic (no offence, Coventry folk). Anyway, Ms Wells here has made a career out of modelling skimpy lingerie – although, to be fair, there isn't much example of that in these beach snaps!

"I'M GOING TO SPEND AS MUCH TIME AS POSSIBLE IN A BIKINI THIS SUMMER!"

SAMMY BRADDY

Location: Majorca

Interesting fact: Sammy's birthday is 1 January. Our New Year's resolution is to look at her pics more!

SAM CAM? PAH! This is the Sammy we'd like to see as Britain's First Lady – although there's nothing remotely conservative about those boobs! Amazingly, Essex lady Sammy once told us that she's well into her life-drawing classes. Unfortunately, we'd already booked our place and spent money on paintbrushes before she told us that she's a painter and not one of the models! Maybe we'll pop along to the classes anyway. After all, she'll still be there.

"GETTING NAKED ON THE BEACH WAS JUST ANOTHER DAY AT THE OFFICE FOR ME!"

LINDSEY STRUTT

Location: Majorca

Interesting fact: Popular with lads on the front line, brave Lindsey flew out to visit our boys in Basra in 2007.

BRUNETTE BEAUTY, *NUTS* cover star and all-round lovely, Yorkshire lass Lindsey is tastier than any pudding we've ever had from that part of the world! (Sorry, Aunt Bessie, but there's just no competition.) Anyway, here she is during her short-lived career as a swimming-pool cleaner. As you can see, she kept on losing her sponges and her amazing boobs just became an irritating buoyancy aid. Lindsey, if you ever need a job in the *Nuts* office, we'd be delighted to have you.

"I LOVE HAVING A FEW COCKTAILS IN THE SUN WITH THE GIRLS!"

"IT TAKES HALF THE TIME TO CHOOSE AN OUTFIT IN SUMMER!"

LUCY COLLETT

Location: Majorca

Interesting fact: Lucy used to work at Warwick Castle and had to dress up all medieval as part of her job!

LIKE A TAX rebate, lovely Lucy has seemingly come out of nowhere to bring endless joy and sunshine to our lives. It's not even been a year since she made her debut as *Nuts*' Next Top Model before shooting to fame as the first redhead to win the coveted Page 3 Idol crown. Since then, the Warwickshire wonder has graced the cover of *Nuts*, gained a legion of loyal fans and continued to fly the feisty flag for redheads everywhere. Top work, that lady!

"I BROKE THIS SWING WHILE THIS WAS BEING TAKEN – I BLAME THE WEIGHT OF MY BOOBS!"

HOLLY PEERS

Location: Ibiza

Interesting fact: Holly's name is searched for around 12,000 times a month on Google. We're not guilty, honest!

THESE MIND-BLOWING BEACH snaps are the result of what happens when Manchester meets the Med! So here's our recipe for a perfect summer cocktail: take one naughty northerner (that would be Holly here), add a glimmering splash of Ibiza sea, a cheeky dash of bikini and some hot sun, and voilà – something to truly whet your appetite! Just don't ask for this concoction down your local Wetherspoon's, or you might be bitterly disappointed.

"IN SUMMER, I CAN WEAR LOWER-CUT TOPS THAT SHOW OFF MY BOOBS!"

"EVERYONE'S MORE FLIRTY AND FRISKY WHEN THE SUN'S OUT!"

EMMA GLOVER

Location: Ibiza

Interesting fact: Emma used to train as a ballerina, and tells us that she can wrap both of her legs around her neck. Gasp!

ACCORDING TO LEGEND, in days gone by, mermaids would lure sailors onto the rocks – but that was obviously before Emma here first did a swimwear shoot for *Nuts*. These amazing snaps would be enough to lure a full armada over! On her Twitter feed, she describes her job as "spending a lot of time in my underwear with other girls in underwear". With that in mind, we'd now like to name Emma as 'Employee of the Month' for her services to boobs!

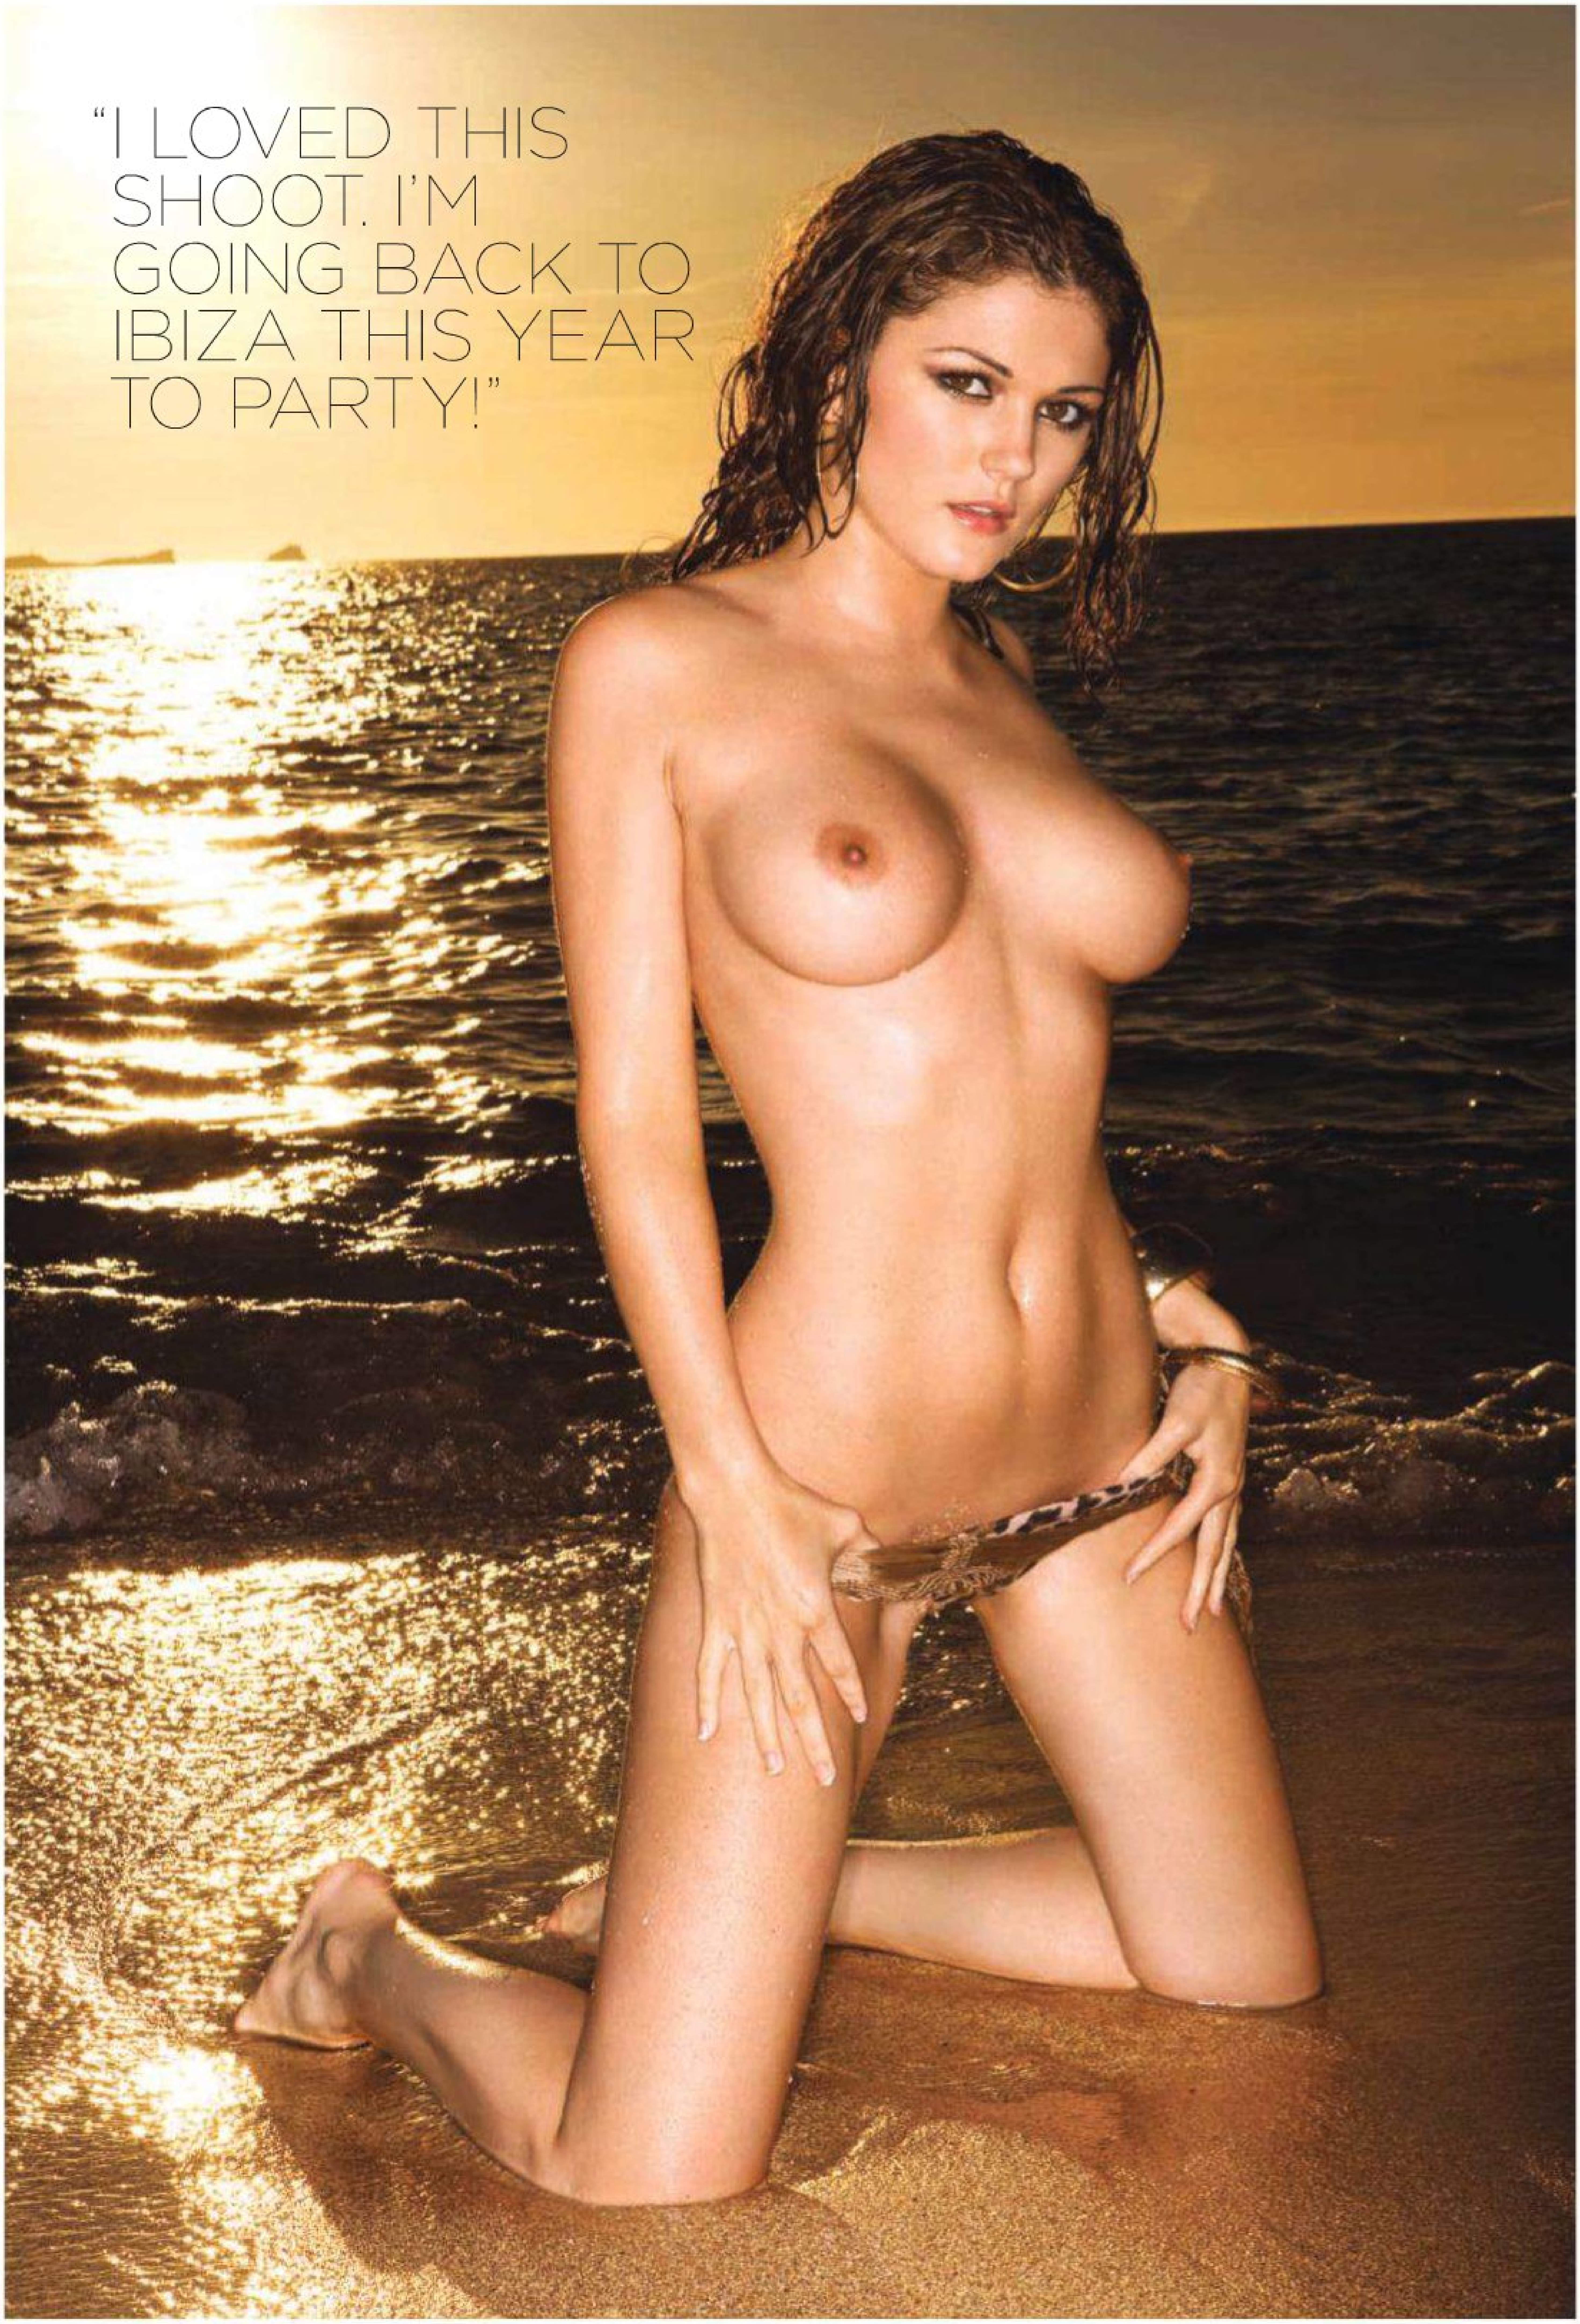
"I LOVE
SUMMER.
IT MEANS
I CAN
SUNBATHE
NAKED
IN MY
GARDEN!"

INDIA REYNOLDS

Location: Ibiza

Interesting fact: India's spending this summer in Marbella. She declined our invite for a caravan holiday in Skegness!

BRITISH SUMMERS ARE almost always awful, so this year we'd like an Indian summer – ideally featuring the blisteringly hot Ms Reynolds here. But enough rubbish jokes about her name (sorry, India), because there's so much more to this amazing Reading girl than meets the eye. Last year, she came on a shooting course with *Nuts* and shot an actual gun – and she was awesome at it. So good in fact, we won't be making any more rubbish jokes about her name!



“I LOVED THIS SHOOT. I’M GOING BACK TO IBIZA THIS YEAR TO PARTY!”

RHIAN SUGDEN

Location: Majorca

Interesting fact: Rhian likes to DJ in her spare time. We'd love her to spin the tunes at our birthday party!

RHIAN USED TO work in telecommunications. We can't confirm that she wore as little as this to work – perhaps that was where her potential as a model was spotted? – but we do know that we'd happily take calls from a call centre if she was working there! Here she is, airing her ample charms where they're far better appreciated. Actually, after seeing these breathtaking snaps, it might be NHS Direct we need to call on the phone. She's making us go a bit giddy!

“I HAD PLENTY OF TIME TO MAKE SURE THAT I DIDN’T GET ANY TAN LINES!”

"A NICE, COOL POOL IN THE HEAT IS BLISS!"

CHLOE SAXON

Location: Majorca

Interesting fact: Chloe has a chow pup called Sindy. They're really wrinkly – unlike super-smooth Chloe!

DID YOU KNOW that gorgeous Chloe did the make-up for Great Britain's Olympic medal hope Jessica Ennis on a recent photo shoot? Perhaps the heptathlete gave her some advice on how to excel in the long jump or hurdles. Then again, if there was a podium for brilliant boobs, we're certain that Ms Saxon would already be on it. Hmm, maybe that awful-sounding Alan Partridge programme *Boob Olympics* wasn't such a bad idea after all. Go for gold, Chloe!

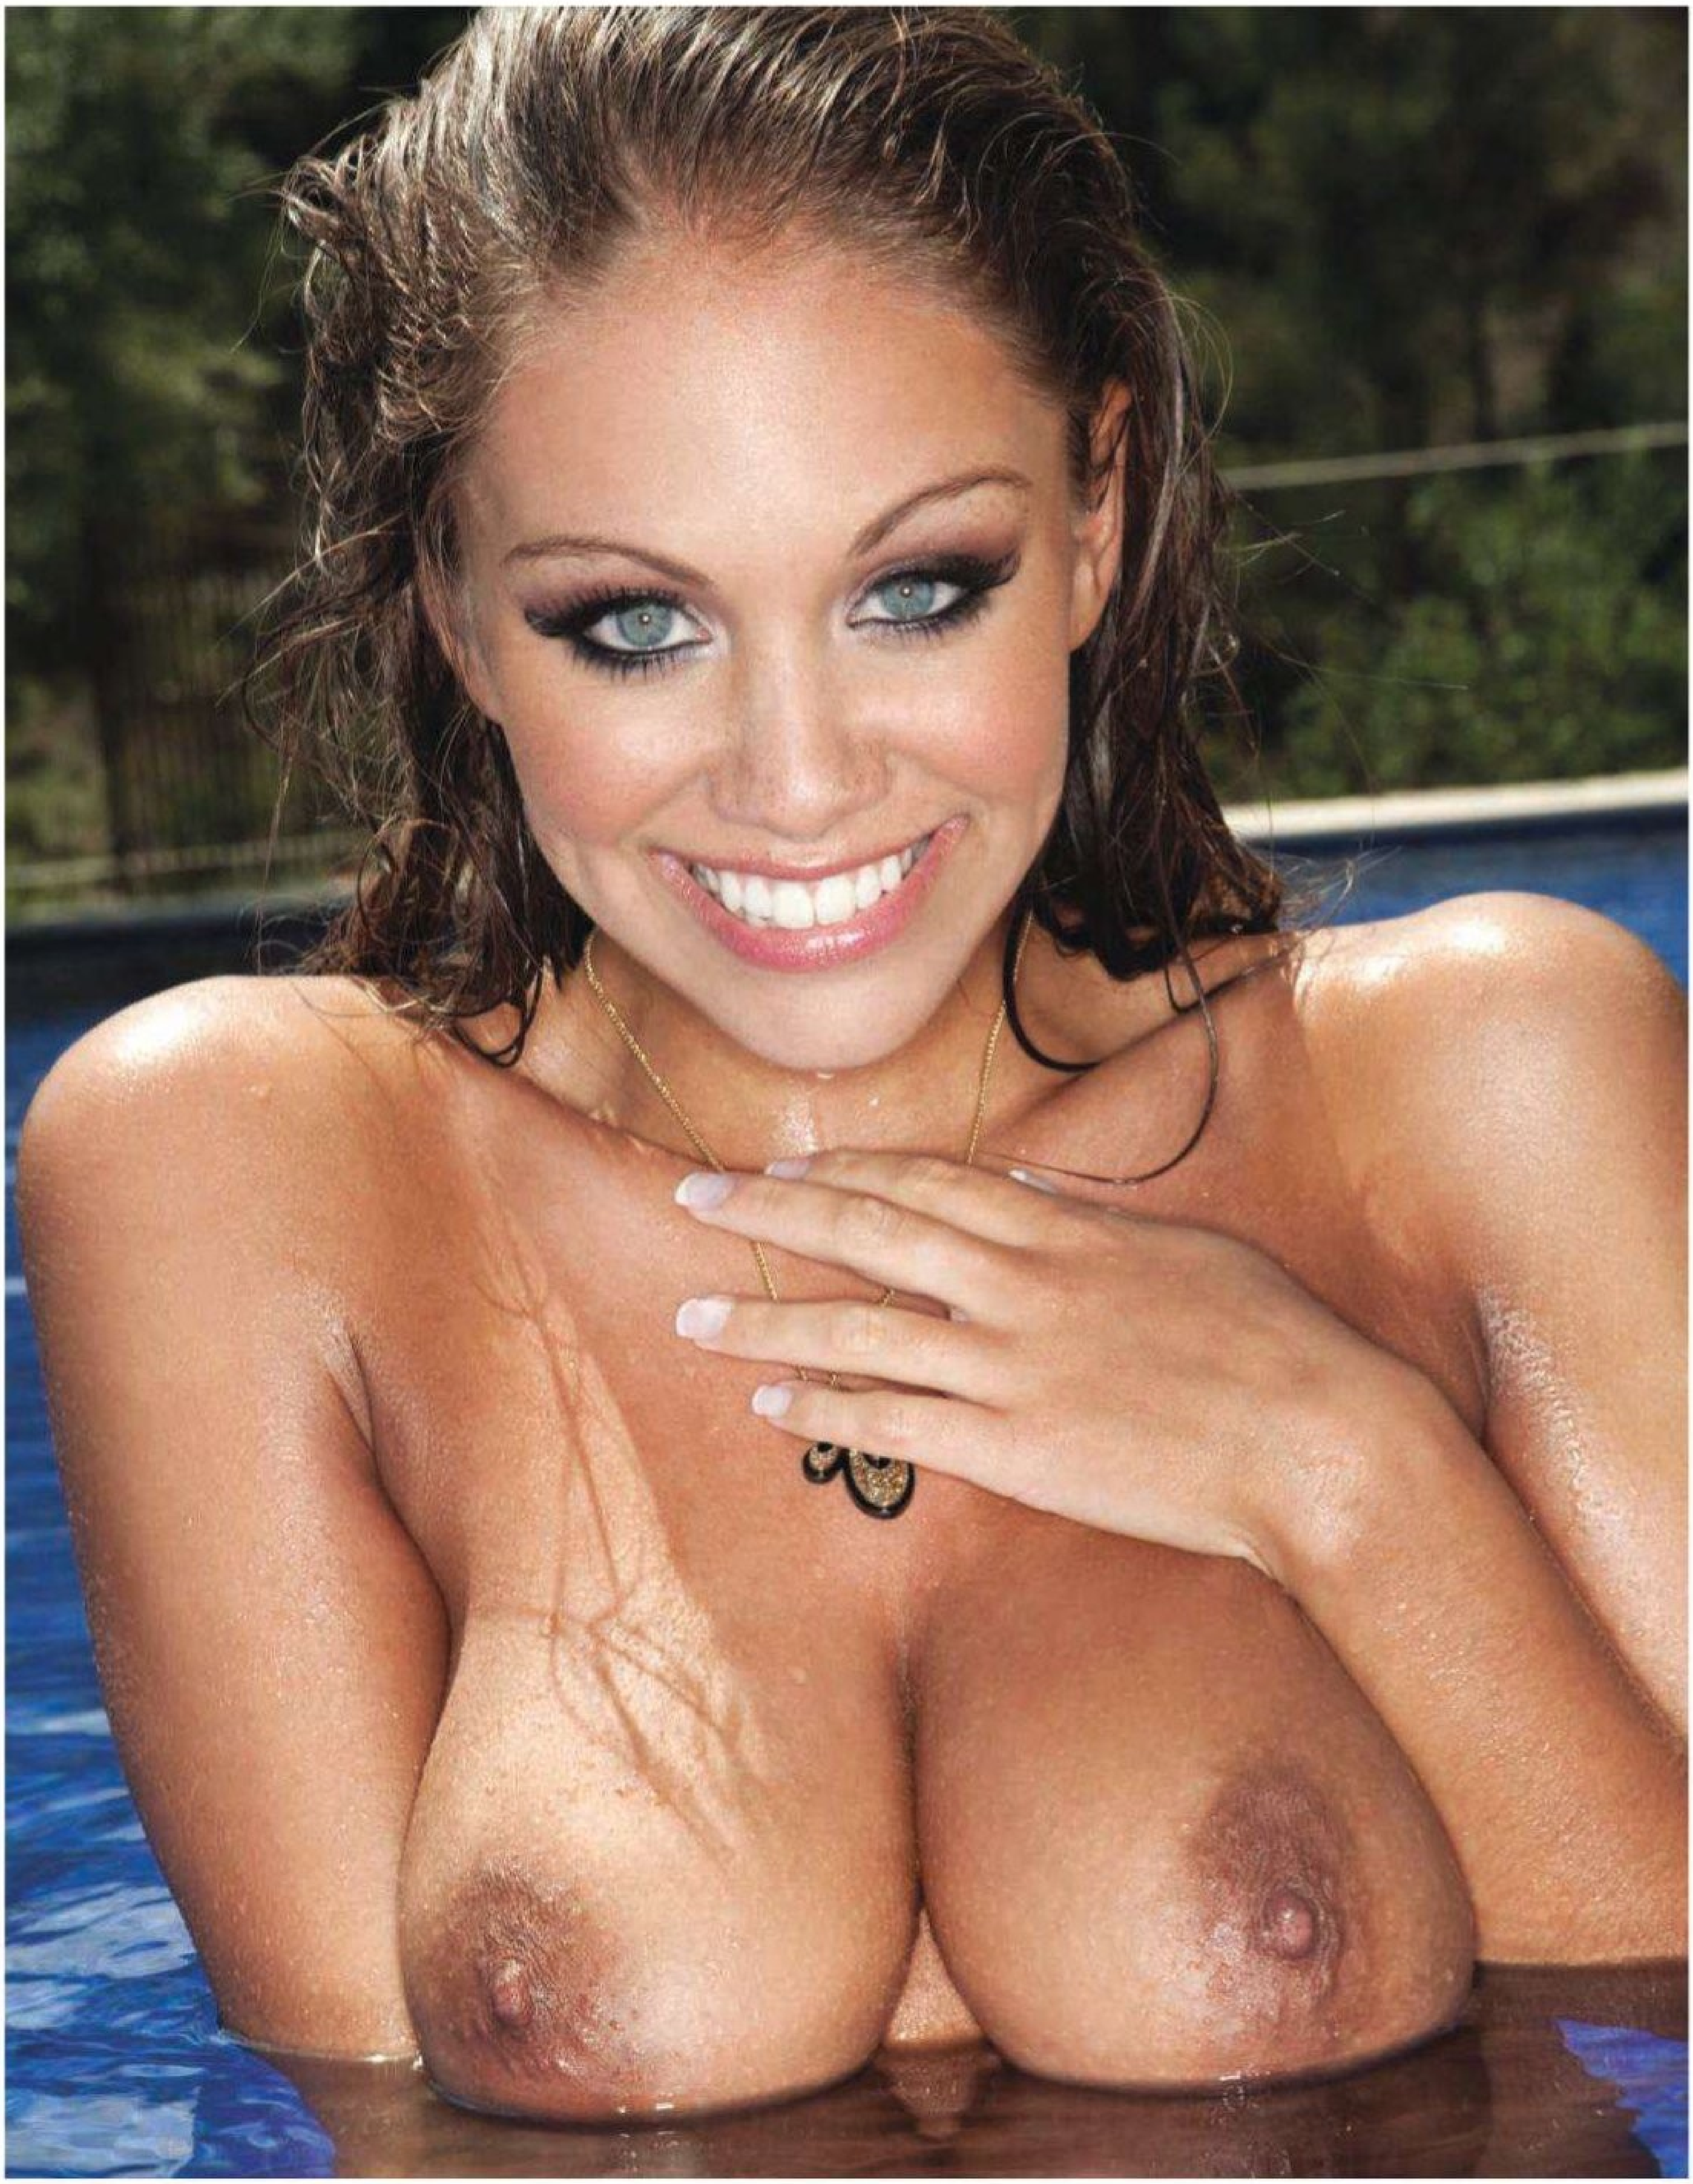
"THE LOCATION FOR THIS SHOOT WAS GORGEOUS. I INDULGED IN SOME SKINNY-DIPPING IN THE POOL!"

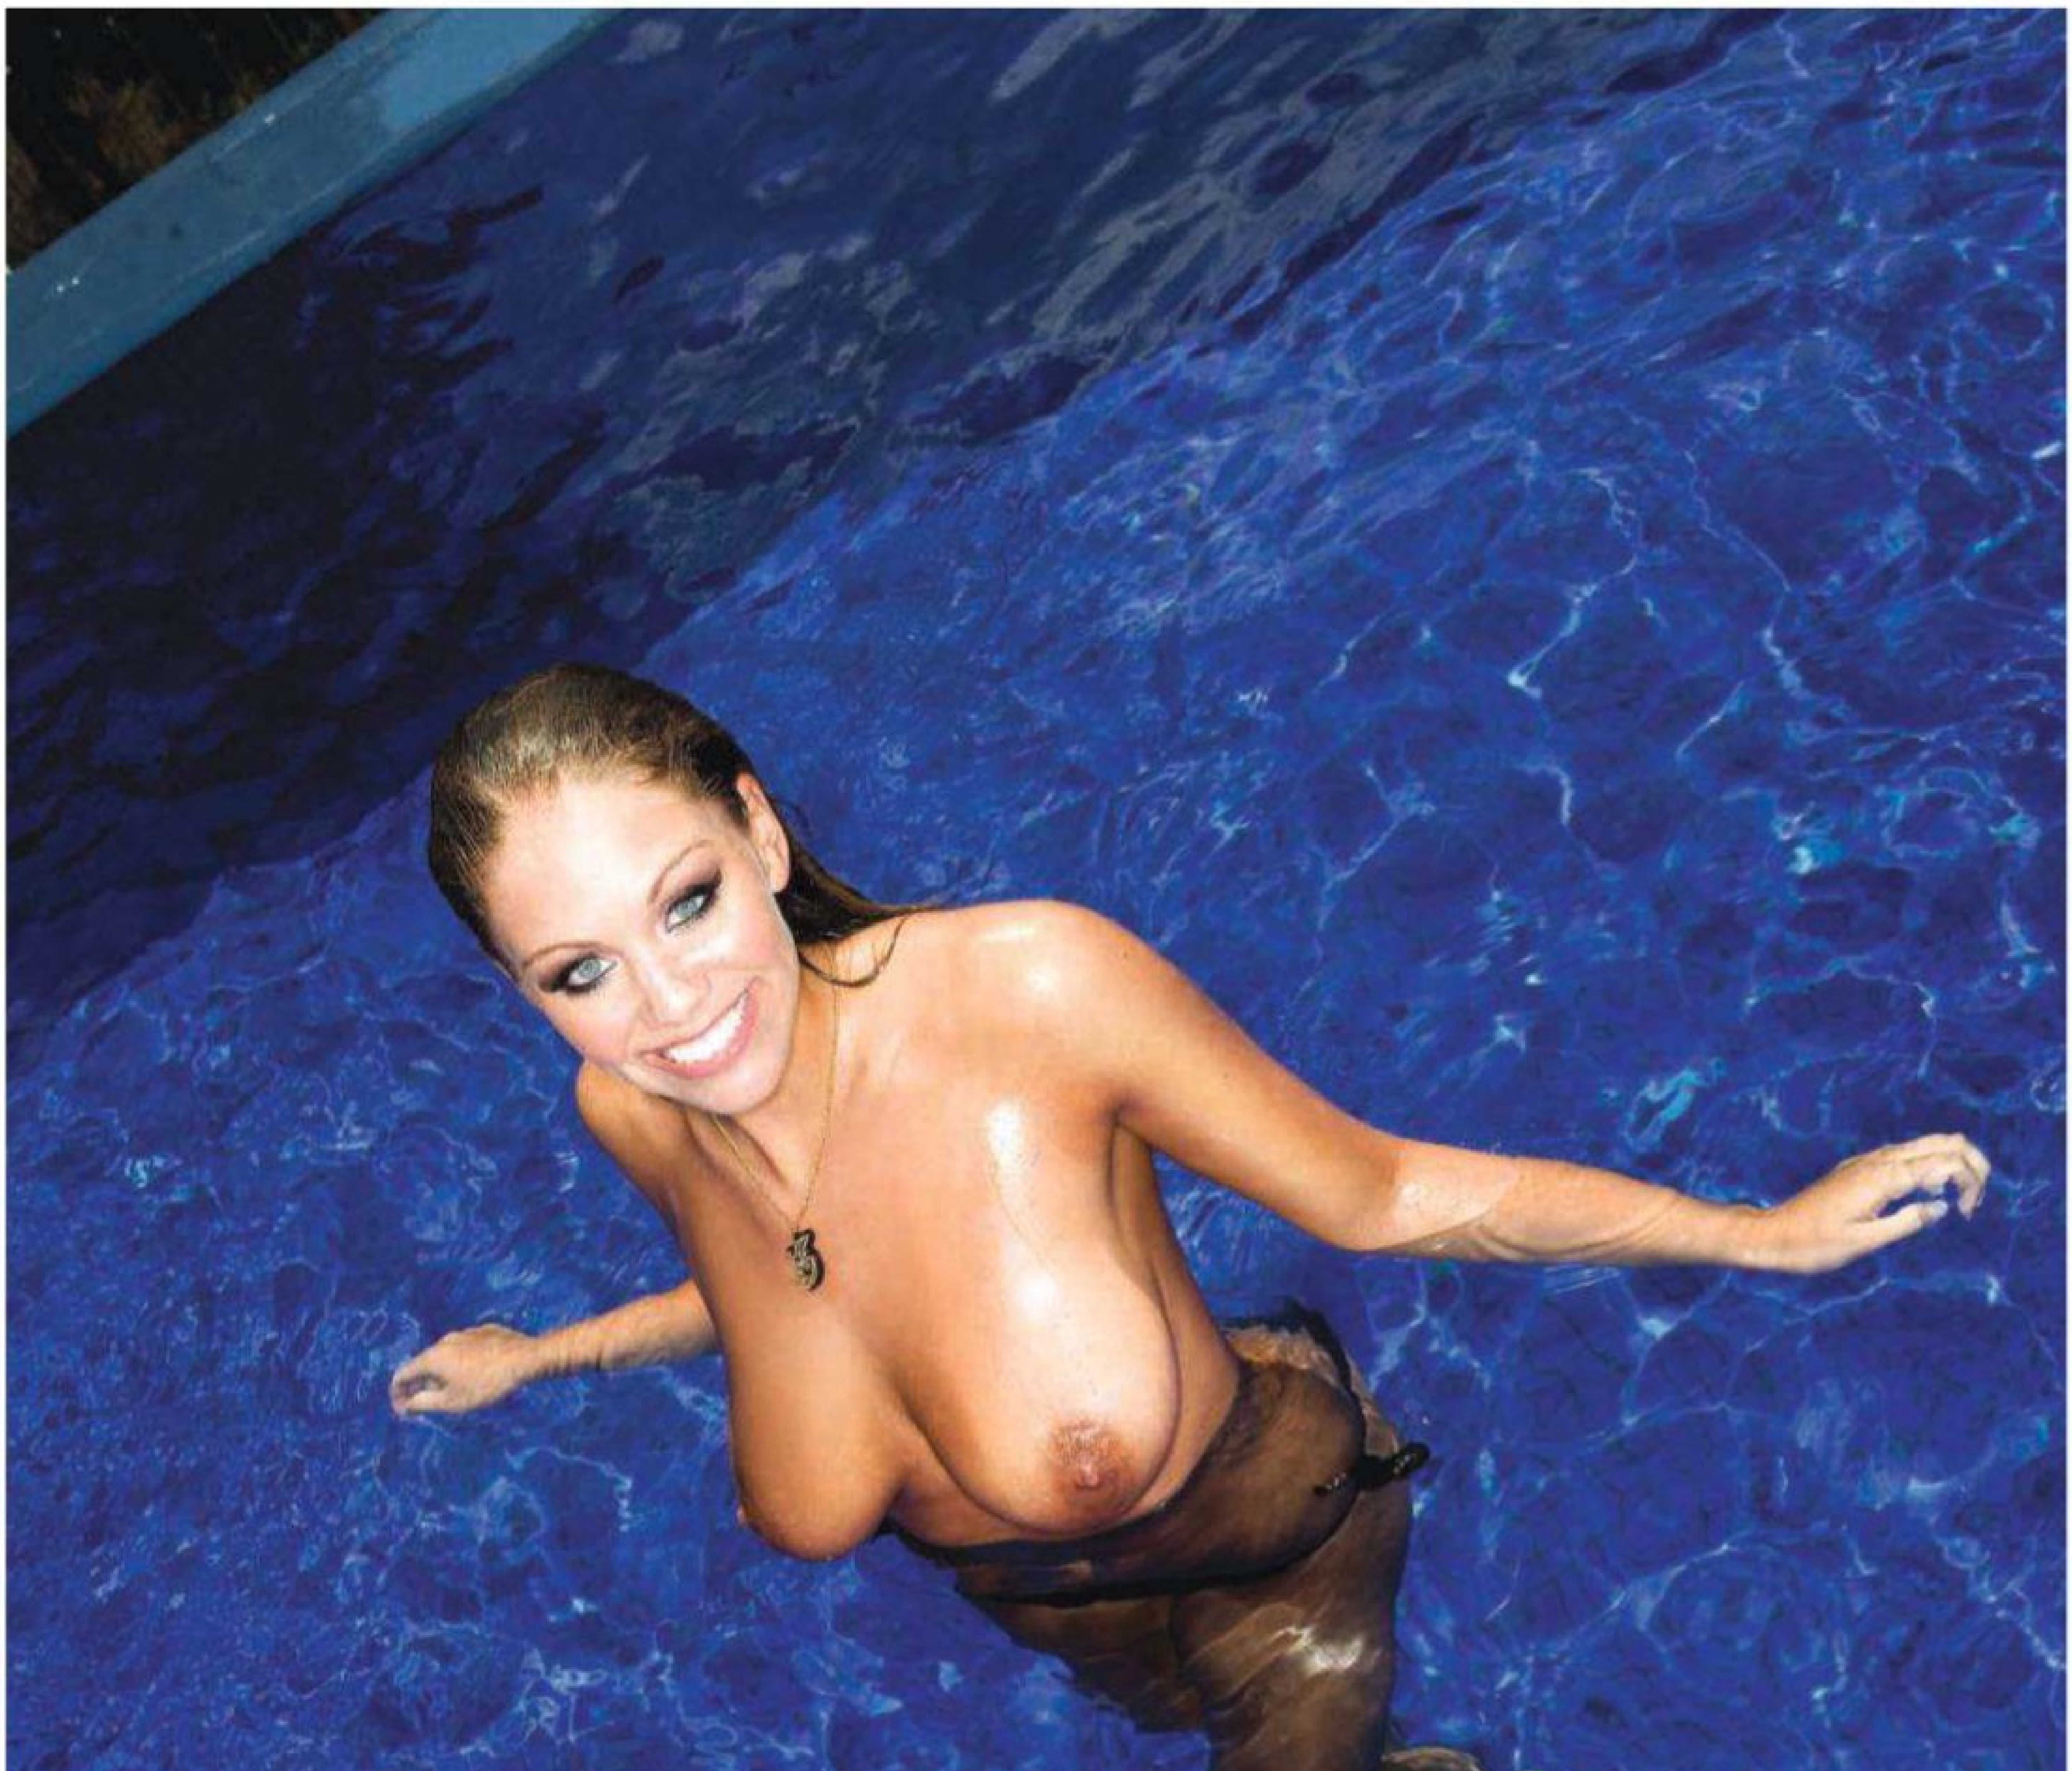
EMMA FRAIN

Location: Majorca

Interesting fact: Emma pole dances to keep fit and watches *Top Gear*. Not at the same time, presumably.

EMMA HAS A qualification in Sports Science and, therefore, knows all about how to look after her body – here she is guarding herself against the sun's harmful rays. Her years of swotting up at college have equipped her with the ability to pop exactly the right amount of oil on her boobs – only a true expert would be able to achieve this. Emma hails from Newcastle-under-Lyme – which, incidentally, is nowhere near Newcastle. And has nothing to do with limes!





"I ONCE WENT ON A GIRLS' HOLIDAY TO KAVOS. WE HAD A BIG GROUP SKINNY-DIP!"

"ON HOLIDAY, I'VE HAD LOTS OF FUN SLINKING OUT OF MY UNDERWEAR!"

JODIE GASSON

Location: Majorca

Interesting fact: As well as being a rather gorgeous model, Jodie is a fully trained make-up artist. Talented girl!

HAS ANYONE EVER looked so sexy in plain, grey cotton underwear? We certainly haven't. Here's joyous Jodie showing us how it's done, while paying very close attention to her ample charms. Most people would want to take in their surroundings after flying all that way for a holiday, rather than simply stare at their own boobs. But Jodie isn't just anybody and it would need to be pretty amazing scenery to divert her attention from her own comely contours!

"FOR ME, SUMMER IS ALL ABOUT LATE NIGHTS ON BRIGHTON BEACH, NOT WEARING VERY MUCH!"

ROSIE JONES

Location: Majorca

Interesting fact: Rosie has done *Top Gear*'s Star In A Reasonably Priced Car lap in just under four minutes!

ROSIE WAS VOTED "No.1 Sexiest Babe" by *Nuts* readers in 2010 and 2011, and is globally regarded as one of the sexiest girls alive. If we ever do find life on Mars, no doubt they'll want to bestow honours on her, too! Determined not to rest on her laurels, here's the Middlesex minx working hard to keep her crown. She'll also be knocking on the doors of every *Nuts* reader, campaigning to secure your votes for 2012. Just remember not to answer the door in your pants!

"THE SEXIEST PHOTO SHOOTS ARE ALWAYS IN THE SUMMER!"

"SUMMER'S GREAT BECAUSE SKIMPY CLOTHES BECOME ACCEPTABLE!"

Find more issues at magazinesdownload.com

“I LOVE SUMMER BECAUSE IT MEANS SUNBATHING, BARBECUES AND DRINKING IN TINY BIKINIS!”

ANASTASIA

Location: Majorca

Interesting fact: Anastasia cropped up in Channel 4 show *Dirty, Sexy Things*. She's clearly only one of those words.

A**S THE FAMOUS** Cockney saying goes, "The water in Majorca don't taste like what it oughta." So maybe that's why people keep dramatically spitting it out like they've just seen something shocking? Or perhaps they caught a glimpse of Anastasia here frolicking around topless in the Mediterranean sun? We're going with the second one! Our lack of liquid control aside, the busty glamour babe is a real head-turner whenever she's out in the sun.

“SUMMER HOLIDAYS ARE AMAZING!”

CARA BRETT

Location: Majorca

Interesting fact: Cara's a fan of ancient Egypt. She likes the film *The Mummy* and wants to visit the Pyramids.

THERE AREN'T TOO many bikini tops in the world that would relish the task of containing a bosom as heaving as the one possessed by the lovely Cara here. Luckily, the London lass, being thoughtful, has decided to give this particular straining garment a break by whipping it off. Bikini tops can't talk but if they could, this one would be saying, "Phew! Thanks for that, Cara, I'm knackered. You know, for a minute there, I thought I was about to go bust!"

"I JUST LOVE THE SUMMER AND THIS SHOOT WAS INCREDIBLY SEXY!"

KELLY, LINDSEY, EMMA, AMY, DANNI & RHIAN

Location: Majorca

Interesting fact: Bury beauty Rhian Sugden was once a walk-on girl for the PDC Premier League Darts.

NUMBER OF SUN loungers by the swimming pool: six. Number of stunning young ladies occupying those sun loungers: six. Number of bikini tops or bottoms currently in the possession of the aforementioned six young ladies: zero. And this, gentlemen, is the very reason why we don't go on hiking holidays in the Lake District. Because stuff like this just *does not happen* in the Lake District. Apart from naked Tuesdays in Windermere, of course.

"WE SEEM TO STAY UP LATER IN THE SUMMER, AND WANT TO GO OUT AND HAVE LOTS OF FUN!"

AMY

EMILY O'HARA

Location: Ibiza

Interesting fact: Emily has auditioned for the 2012 series of *The X Factor*. She already has our vote. And don't even think about it, Cowell!

AS YOU CAN see from these pictures – water pistols! Swimming platforms! Beach huts! And, erm, lollipops! Chester's finest fittie Emily seems to favour an activity holiday. We have to say that such holidays don't really appeal to us (we prefer to sit around in the beach bar). However, as the one activity that seems to be a constant is the immediate removal of her bikini top, we'll concede that we're slowly getting interested in this type of vacation.

“I'M GOING TO TAKE UP GARDENING THIS YEAR!”

AMY GREEN

Location: Majorca

Interesting fact: Amy's a nifty mover and specialises in hip-hop and street dancing. Do you need a partner, Amy?

LOOK AT AMY, riding that lilo around the swimming pool like it's a little water horse. The blonde bombshell is very often dressed like this, in just her pants and sunglasses – even in her home city of Sheffield. Maybe that's why they nicknamed it "the Steel City" – because someone keeps stealing all the pretty girls' clothes when they're not looking! Just a thought. And also a rubbish joke. Sometimes, these pictures play havoc with our tiny minds. Sorry.

"I LOVE WEARING MY LITTLE HOTPANTS AND BIKINIS!"

CARRIE SPENCER

Location: Majorca

Interesting fact: Clever-clogs Carrie is currently at college undertaking a degree in Social Therapy!

REDHEADS NEVER GO out in the sun, do they? Because if they do, all that happens is they get nasty sunburn and spend the rest of their holiday boasting the complexion of a well-cooked lobster. Thankfully, nobody seems to have mentioned this particular fact to auburn hottie Carrie, who loves nothing more than frolicking in the sunshine – and whose dress code (or lack of) isn't going to provide her with much UVA coverage. More power to you, young lady!

"BARE SKIN... OILED LEGS... SPLASHING AROUND IN THE POOL... SUMMER IS THE SEXIEST!"

LOUISE CLIFFE

Location: St Lucia

Interesting fact: While on *Big Brother* in 2011, Louise won some chips and gravy by pretending to break wind!

AS HUMAN BEINGS, we may have ruined the planet with pollution and televising Jedward, but we've created some wonderful things, too: the internet, the stuffed-crust pizza and the nudist beach, to name but a few. Of course, the last one on that list isn't so wonderful if it's populated by saggy Germans in their 60s. Thankfully for us, Manchester beauty Louise is neither saggy, German nor sexagenarian – she's just totally naked and eye-watering hot!

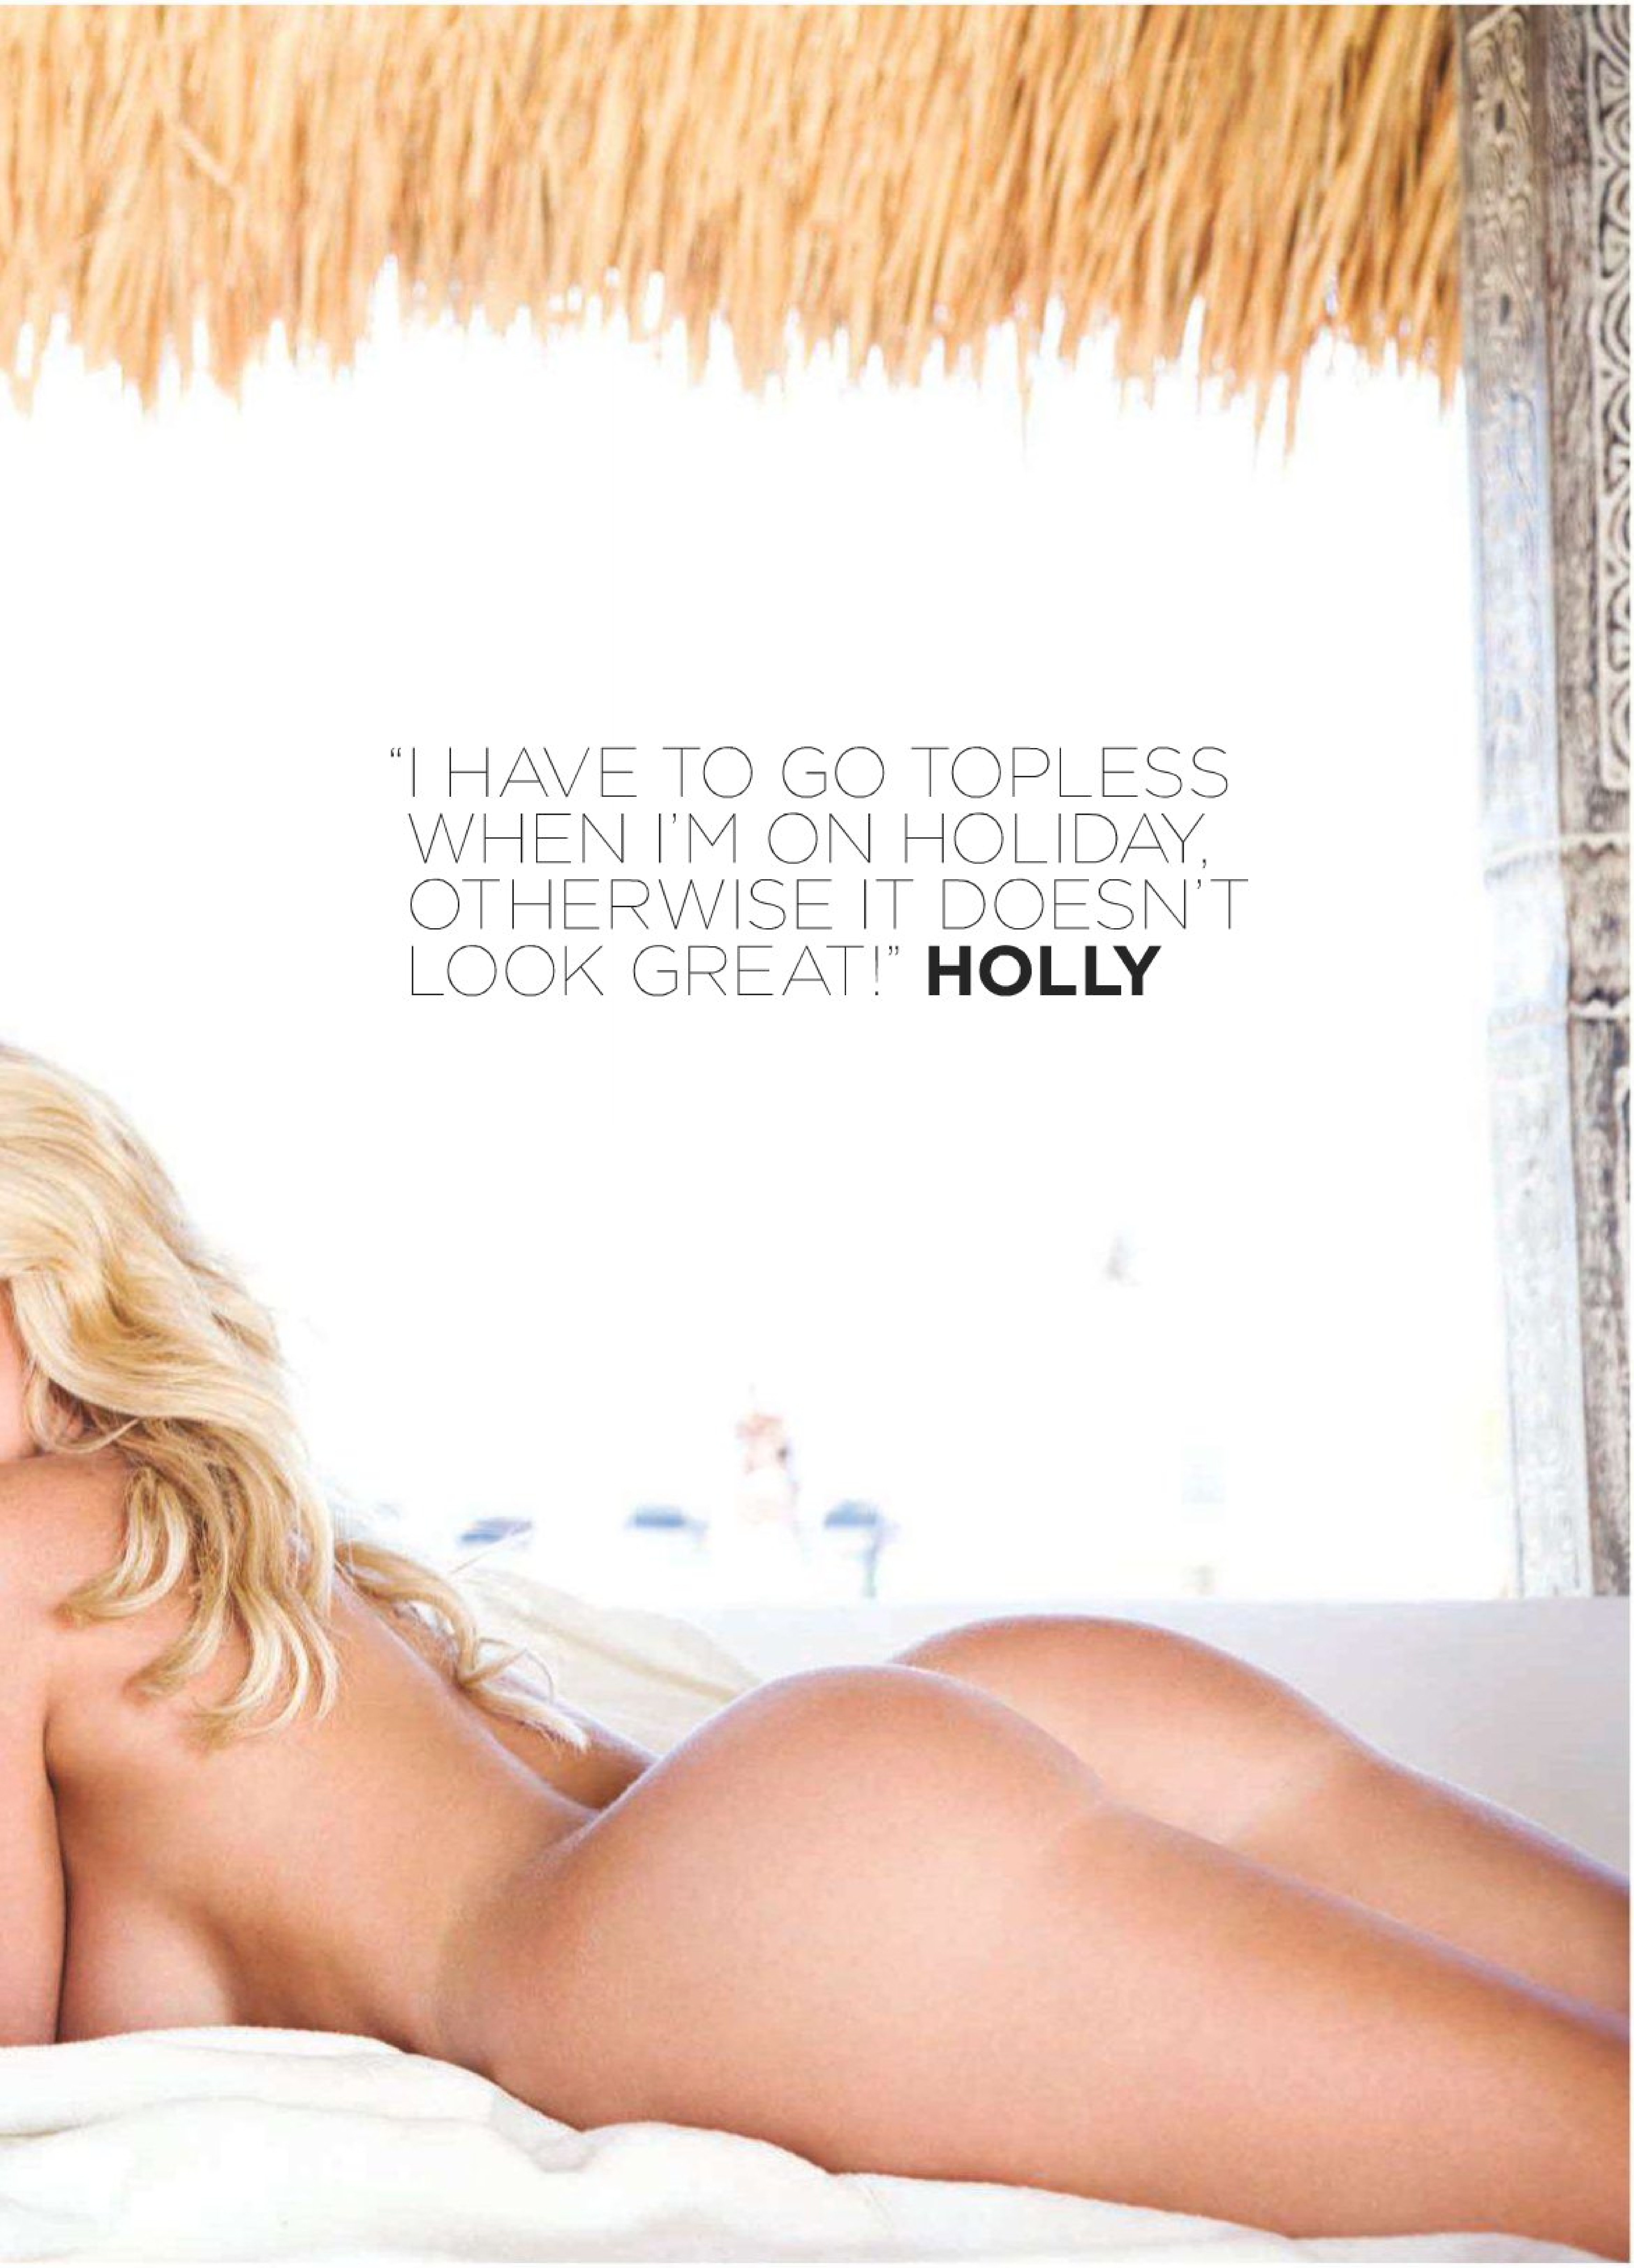
“ME AND MY
GIRLFRIENDS
LOVE TO GO
SKINNY-DIPPING!”

HOLLY PEERS & STACI NOBLETT

Location: Ibiza

Interesting fact: We have it on good authority that Holly's favourite holiday tipple is Corona. Best stock up on limes, gents!

SOMETIMES, YOU CAN have the most fun holiday ever without even bothering to hit the beach (that's what room-service booze and chips were invented for)! To prove this fact, here are hot Holly and stunning Staci enjoying the comfort of a swanky beach hut in the Med, and reasoning that, since they won't be going out in public, they may as well lose most of their clothes. Funny, we once tried this in a Pizza Hut, but it didn't quite get the same reception.



“I HAVE TO GO TOPLESS WHEN I’M ON HOLIDAY, OTHERWISE IT DOESN’T LOOK GREAT!” **HOLLY**

"WE'RE ALWAYS IN TROUBLE WHEN WE GET TOGETHER!" **STACI**

Find more issues at magazinesdownload.com

SAM COOKE

Location: Majorca

Interesting fact: In her other job as a DJ, Sam has spun tunes in Malaysia and Egypt, among other places.

IN RECENT YEARS, women have invented an interesting term, as they're often prone to do. Specifically, the phrase "beach-ready". If you're beach-ready, it means that you're sufficiently slimmed, toned, curved up in all the right places and generally amazing-looking to hit the beaches of the world in a tiny two-piece bikini. Well, we don't speak the language of ladies particularly well but we're willing to wager that Sam here is beach-ready. We're just guessing.

"I WAS SUNBATHING TOPLESS ONCE AND 15 GUYS WERE WATCHING!"

SAMMIE PENNINGTON

Location: Lanzarote

Interesting fact: Sammie describes herself on her Twitter page as a "model and filth talker". Crumbs!

IF YOU'RE LOOKING at this pic and thinking, "Blimey! That nice Ms Pennington has got herself all covered with sand! She'd be awfully gritty to rub up against. I wouldn't fancy that at all!", there are two things you need to know. First, Sammie went straight into the sea after the pic was taken and washed it all off. And second, you're completely bonkers. Although we'll concede that getting sand on your sandwich at a beach picnic is very annoying.

"I'M GOING TO SPEND THE WHOLE SUMMER IN A SKIMPY BIKINI IN IBIZA IF I CAN!"

JESSICA DAVIES

Location: Majorca

Interesting fact: Jessica used to play for a girls' football team and supports both Man United and Hereford Town!

WHEN THE AMAZING Ms Davies first came to our office to do a photo shoot for a *Nuts*' Next Top Model feature, she told us, "Taking my clothes off is nothing new!" Which might explain why she was so ruddy good at it and has become a real favourite with you readers ever since! As you can see from these pretty poolside pics, clothes aren't something that feature heavily whenever the Welsh wonder is in town. Now, that's what we call a "package" holiday!

"ANY SIGN OF SUN AND I'LL BE DOWN THE BEACH SUNBATHING!"

JESSICA-JANE CLEMENT

Location: Ibiza

Interesting fact: JJC loves boobs and invited followers of her Twitter page to send her pics of their breasts. Lots of girls obliged!

THE PARTY ISLAND of Ibiza is known as a place where pretty much anything goes (and this often includes garments of clothing). However, even the most jaded of party animals couldn't fail to be amazed by the sight of *The Real Hustle* hottie Jessica-Jane Clement in a straining bikini. Just look at it! How it manages to keep her boobies covered up is a miracle of modern science, and deserves some sort of university research to be commissioned immediately!

“DID I MISBEHAVE IN IBIZA? ALL I CAN SAY IS WHAT HAPPENS ON TOUR STAYS ON TOUR!”

"I REALLY LIKE BIG BOOBS – THE BIGGER THE BETTER, I SAY!"

KELLY ANDREWS

Location: Majorca

Interesting fact: Kelly was studying law when she decided that the model's life was for her instead. Hurrah!

THERE ARE BASICALLY two kinds of holiday-maker – there are those who like to go tootling off looking at rubbish things like ruined coliseums and ancient churches, and there are those who like to loaf around a swimming pool in their skimpies, drinking cocktails and eating ice lollies. Lovely Wirral lass Kelly here is firmly in the latter camp. And so, as a result, are we! There are also raving nudists, but we'll talk about that another time...

Find more issues at magazinesdownload.com

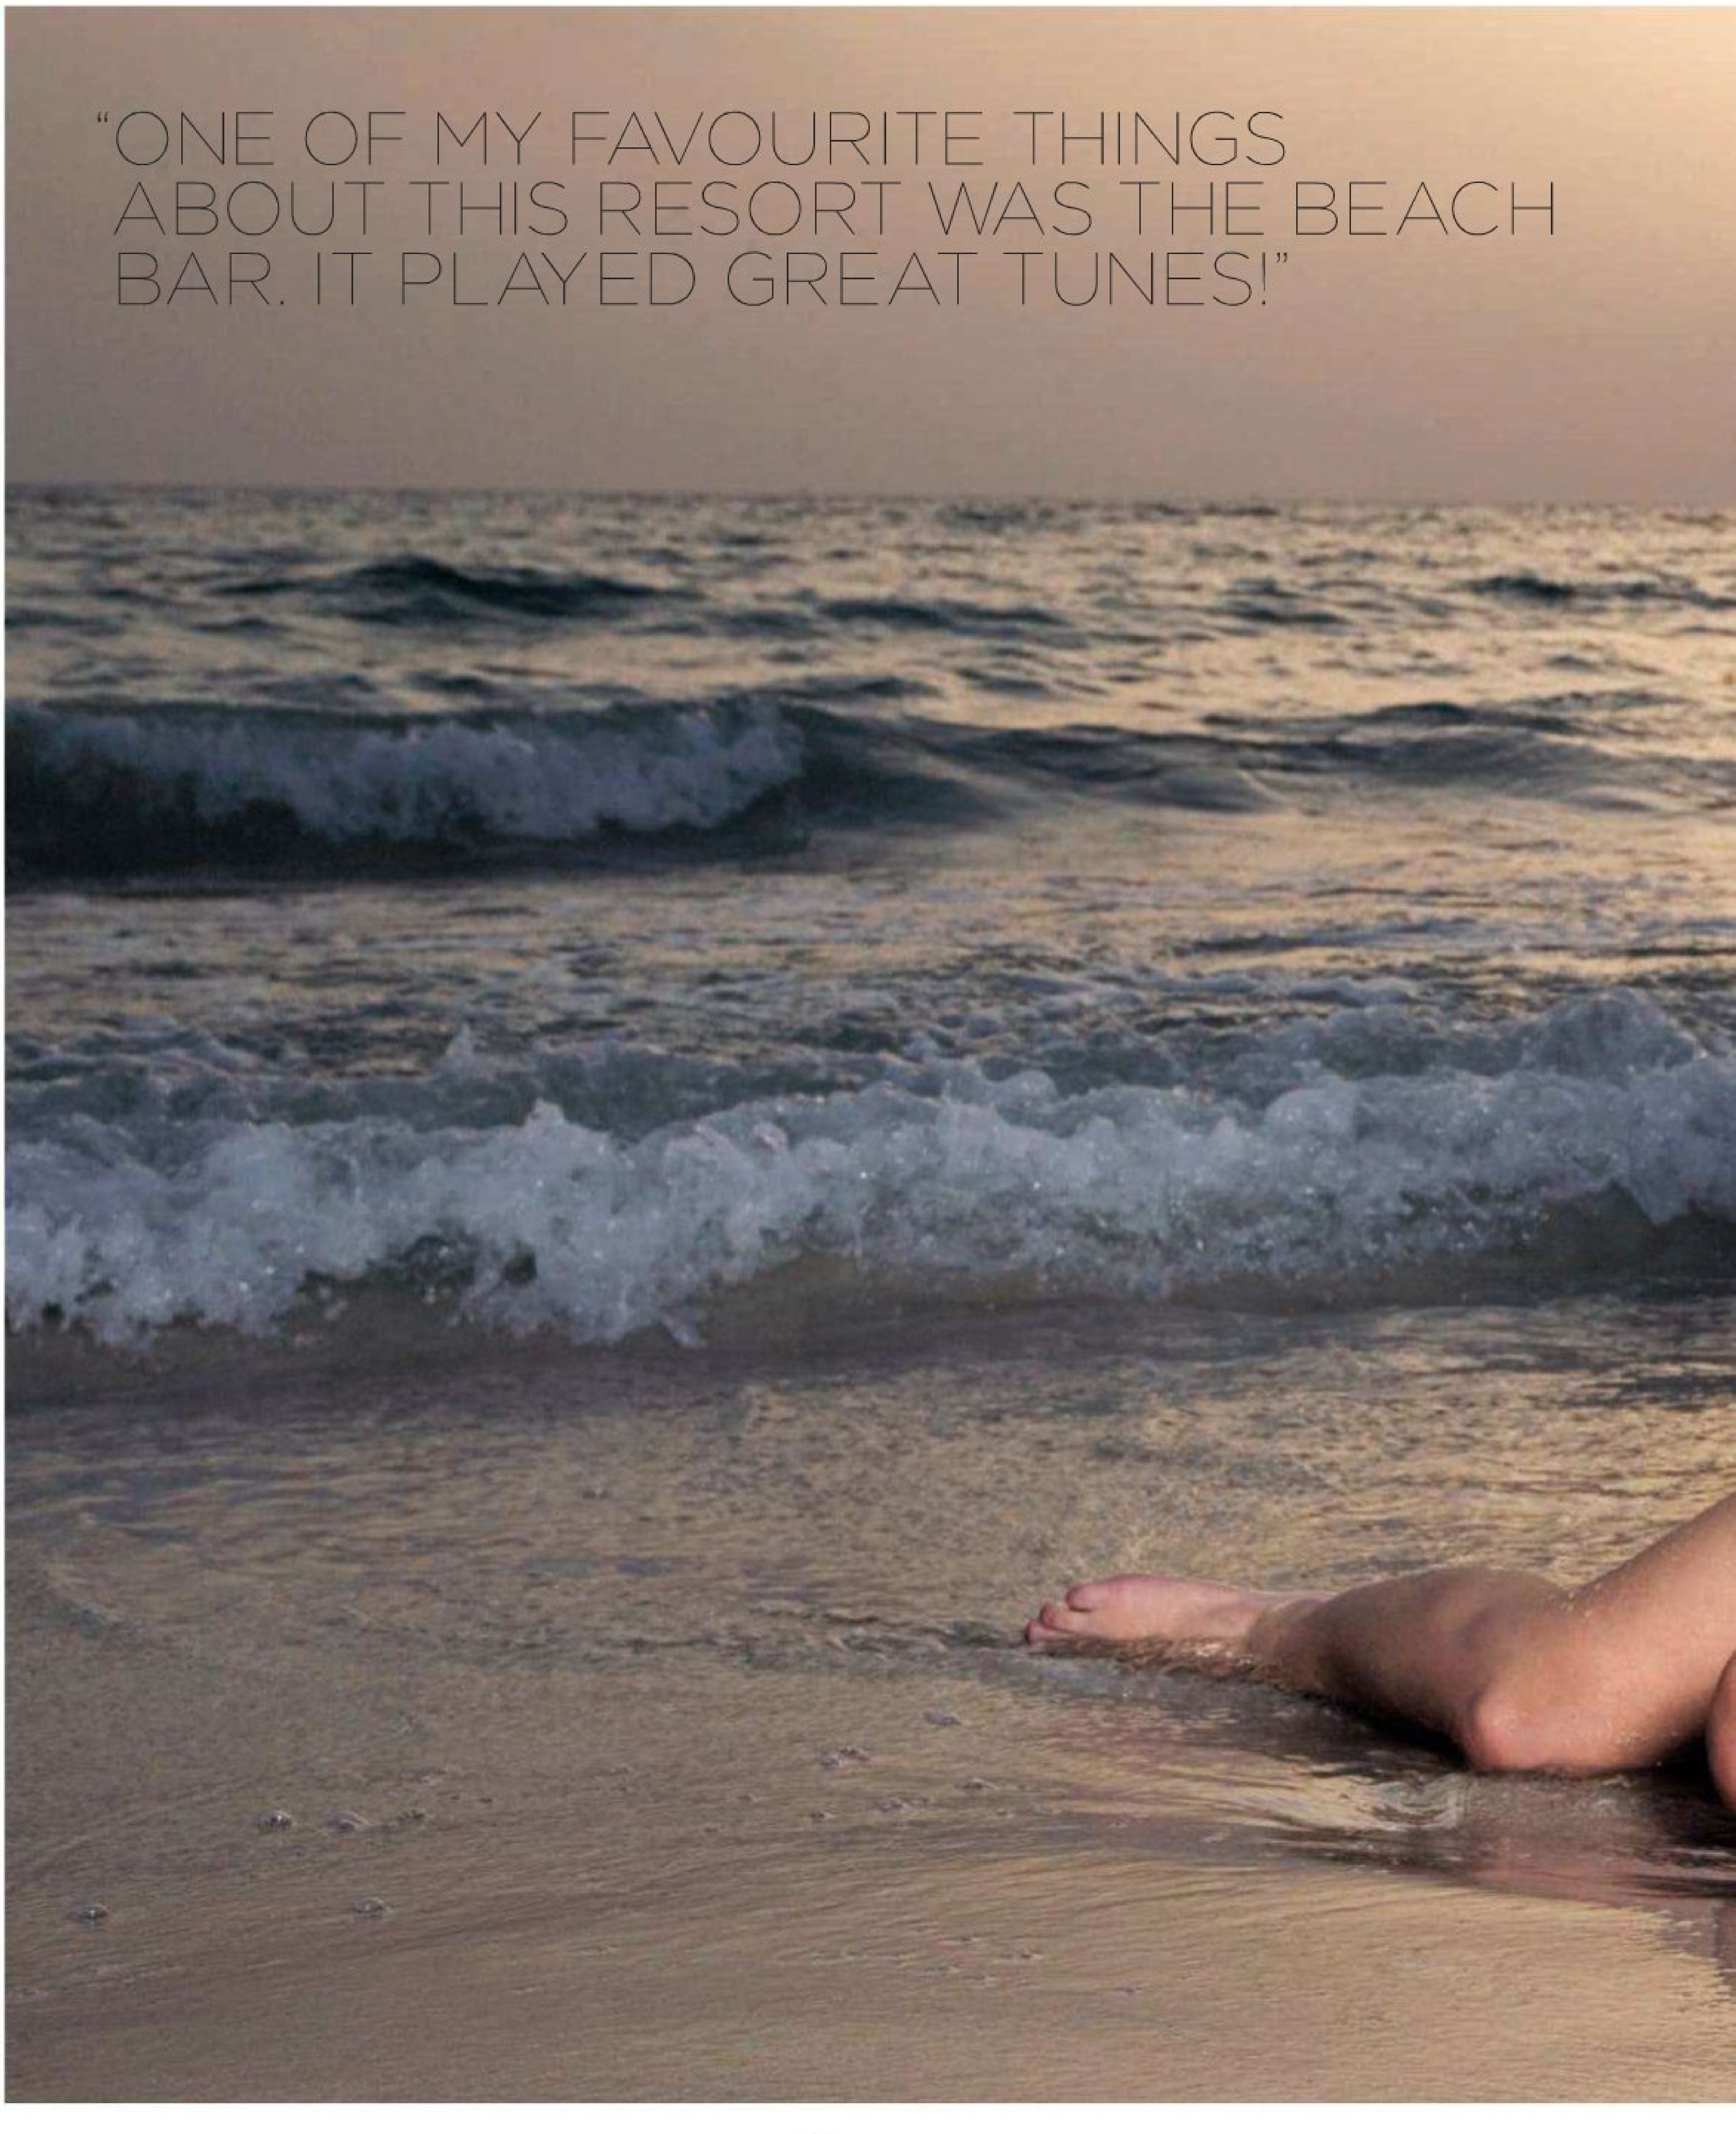
"ON HOLIDAY, WE JUST STRIP AND GET ON WITH IT!"

KATIE-MARIE CORK

Location: Ibiza

Interesting fact: Pooch-loving Katie-Marie is the proud owner of a cute pug called Bruce. Altogether now: awwww!

PAGE 3 FAVOURITE Katie-Marie is half-Portuguese, which could explain why she looks so at home in this sizzling shot, taken on a beach in Ibiza. Being half-Portuguese, she might also be partial to joining us for a tasty Nando's supper. We promise we'll use a knife and fork to eat our chicken, wear a napkin at all times and even let her order *two* sides and enjoy unlimited use of the frozen yoghurt. That's how much we love this brunette beauty!



"ONE OF MY FAVOURITE THINGS ABOUT THIS RESORT WAS THE BEACH BAR. IT PLAYED GREAT TUNES!"

HANNAH MARTIN

Location: Majorca

Interesting fact: Hannah's a huge music fan and went to both Download and Sonisphere festivals last year. She rocks!

ONE DAY, WHEN we're all grown up, we intend to move to Spain. There, we'll buy ourselves a villa – a villa with a swimming pool, in fact. And once our pool is nicely warm and chlorinated, we plan to invite Hannah and all her fit friends to come and loaf around in it. And if they want to remove their bikini tops like Hannah's doing in this shoot, so much the better. We fully expect that everyone we invite will turn us down, but hey – we can only try!

"SUMMER IS AN EXCUSE NOT TO WEAR MANY CLOTHES SO YOU CAN GET HOT AND NAKED!"

KELLY HALL

Location: Ibiza

Interesting fact: Before becoming a model, Kelly did promotional work for Whitworths, the bakery supplier!

STILL BLUE WATERS, fine golden sand, a gentle breeze blowing in off the ocean... Yes, these are just some of the things to which we are paying absolutely no attention, on account of the fact that our eyes are feasting upon the divine Kelly here. Even if a nine-eyed shark walked onto the beach and started singing a song, we wouldn't notice. If they put pictures like this on tourist leaflets promoting Bognor Regis, we'd go there in droves.

“I HAVE A PRIVATE GARDEN, SO IF THE SUN’S OUT, I PLAN ON BEING NAKED IN IT!”

ROSIE JONES & HOLLY PEERS

Location: Ibiza

Interesting fact: Rosie and Holly got booted out of a nightclub on their last visit to Las Vegas for being too raucous!

WE KNOW FOR a fact – because she tells us the stories – that Ms Jones on holiday is prone to what might coyly be called "misbehaviour". And we know that the same thing applies to Ms Peers because, well, she also tells us. So what do the two of them get up to when you put them together? Thankfully, a lot of healthy, not-that-naughty-but-still-quite-naughty activities that tend not to involve bikini tops. Which is rather spiffing news for the rest of us!

"WE FELT LIKE CASTAWAYS ON THIS SHOOT - PROPER GIRL FRIDAYS!" **ROSIE**

"IF ANOTHER GIRL WALKS PAST ME ON THE BEACH, I CAN'T HELP COMPARING BOOBS!" **HOLLY**

THE BADURA TWINS

Location: Majorca

Interesting fact: The girls' names are Klaudia and Laura – and before you ask, no, we can't tell them apart!

OUR UNDERSTANDING OF twins (bearing in mind that we're not the sharpest tools in the box) is that they'll often do the same things as one another, as if united by some kind of psychic bond. They'll experience each other's feelings, like the same stuff and even wear the same clothes. Which means, of course, that if one of them decides to go topless on holiday, the other will probably follow suit. And, you know, we're more than happy that this is the case.

"A CROWD OF SPANISH BOYS WATCHED THIS SHOOT!" **KLAUDIA**

SOPHIE HOWARD

Location: London

Interesting fact: Sophie claims to be a "pogonophile" – someone who loves beards. So stop shaving now!

JUST IMAGINE IT. You're having a quiet drink in a fancy poolside bar. You're not expecting a particularly major night – you're just kicking back with a couple of cold ones, then maybe you'll enjoy a nice little sit out on your hotel balcony. But all of a sudden, this lady walks in and orders tequila slammers for everybody. Does it sound fantastical? Well, knowing Ms Howard as we do, we imagine it's happening somewhere out there even as we speak!
